

Your H-D Health Reimbursement Arrangement (HRA) has transferred

MY HARLEY BENEFITS

powered by  businessolver

The remaining balance in your Harley-Davidson Health Reimbursement Arrangement (HRA) is with a new vendor.

You still have a balance in your Harley-Davidson HRA, which can be used to pay for qualifying medical expenses. However, the way you access those funds has changed. You will need to visit **MyHarleyBenefits.com** and register for an account (company key: harley). Once you have created your account, you can:

- Update your preferred contact information (no more snail mail!)
- View your HRA balance via the “Consumer Accounts” button
- Review the list of qualified HRA expenses
- Submit and track reimbursement claims
- Pay a provider directly and more

Visit **MyHarleyBenefits.com** or call **833-397-0547** today!
